The Rancho Cucamonga Police Department invites fathers and sons to participate in T.H.I.S. workshop. Child predators often prey where children play and are using online gaming to groom and seduce teen boys. Popular video games have so much hypersexualized content and pornography is often embedded in these games. Parents need to be aware and get involved. Please join us for our first T.H.I.S. workshop for teen boys 13-17 years old.
